PRESS RELEASE

DECLARATION OF INTENTION TO CONTEST THE NATIONAL CHAIRMANSHIP POSITION OF THE NEW PATRIOTIC PARTY

After extensive reflection and encouragement from many well-meaning members, supporters, and stakeholders of the New Patriotic Party (NPP), I am honoured to formally announce my intention to contest for the position of National Chairman in the upcoming election of national officers.

This decision has not been taken lightly. It comes after careful consideration and in response to the consistent calls for renewed leadership rooted in the founding values and democratic ideals of our Party. My commitment to the NPP has remained steadfast through the years, and I believe the time has come to contribute, once again, to the rebuilding and strengthening of our Party at this critical juncture.

While the journey has not been without its trials, I have always chosen to prioritise the unity and progress of the NPP above all else. My focus now, as it has always been, is on the future - one where our Party stands re-energised, inclusive, and better positioned to deliver on its promise to the Ghanaian people.

In the coming weeks, I will engage more broadly with Party faithful and the media to share my vision, ideas, and plans to lead the NPP with integrity, transparency, and a renewed sense of purpose.

Let us look ahead together.

God bless the NPP.
God bless our dear country.

Signed
