**PRESS RELEASE**

**For Immediate Release.**

## **GHANA COMMUNICATION TECHNOLOGY UNIVERSITY RESPONDS TO APPLICATION FOR INTERLOCUTORY INJUNCTION**

**13<sup>th</sup> March 2026**

The Management of Ghana Communication Technology University (GCTU) wishes to inform the public that the University has been served with a Motion on Notice for an Interlocutory Injunction filed at the High Court by Prof. Emmanuel Ohene Afoakwa. The application is scheduled to be heard on 24<sup>th</sup> March 2026.

The University wishes to clarify that the matter currently before the Court is only an application. Under the laws governing injunctions in Ghana, an interlocutory injunction becomes operative only when it is granted by the Court.

As of the date of this release, the High Court has not granted any order of injunction against the University.

GCTU therefore urges the public to disregard misinformation circulating on social media suggesting that the University has been enjoined by the Court. The University's actions and directives remain in force.

The University will continue to follow the due legal process and will provide further updates should there be any material developments.
