13th March 2026

**THE DIRECTOR GENERAL
GHANA TVET SERVICE
SHIASHIE ACCRA**

Dear Sir,

NOTICE OF STRIKE ACTION - GTJETS - PSWU MEMBERS

Reference to our letter dated 10th March 2026, a formal notification is hereby forwarded to you about our strike action effective **24th March 2026**.

All GTJETS-PSWU members within the Ghana TVET Service are directed to lay down their tools and withdraw their services until management takes concrete and satisfactory steps to address the numerous concerns raised by the members.

This action has become necessary for your failure to engage in resolving the concerns raised by members.

The Union remains committed to constructive dialogue and expects management to treat these matters with the urgency and seriousness they deserve. Until then, **all members are expected to strictly comply with this directive and remain united in solidarity**.

Members are encouraged to bring forward any additional concerns or grievances that may not have been captured earlier so they can be addressed collectively.

We advise all members to remain calm, disciplined, and law-abiding throughout this period.

Any form of intimidation, victimization, or coercion against members should be reported immediately to the Union leadership for appropriate action.

Remember, absolute power resides in the masses.

Thank you.

Yours fraternally,

Seth Botchway.
