PRESS RELEASE

POLICE DISMISS CLAIMS LINKING ESCAPEES TO SAMMY GYAMFI'S IN-LAW CASE

1. The Accra Regional Police Command wishes to strongly refute and condemn reports circulating in sections of the media alleging that three (3) out of six (6) inmates who escaped from the Adabraka District Police custody on 26th April 2026, are linked to the murder of Lawyer Sammy Gyamfi's father-in-law.
2. The Command clarifies that the individuals involved were never detained at the Adabraka Police Station in connection with that case and are not related to the said incident.
3. Meanwhile, three (3) out of six (6) the escapees have since been re-arrested through swift Police action, while efforts are ongoing to apprehend the remaining three suspects.
4. The Command has initiated a full investigation into the circumstances surrounding the escape. It has intensified a manhunt to arrest the remaining three escapees and ensure they are brought to justice.
5. The Police assure the public of their commitment to maintaining law and order and urge anyone with credible information on the whereabouts of the remaining escapees to report to the nearest Police Station.
